REF: SECSTATE 57696

(U) PolOff delivered reftel demarche to Ministry of Foreign Affairs Foreign Policy Coordination and Planning Directorate State Expert Guergana Karadjova. Karadjova promised to relay U.S. views to her superiors for their considerations. She said that Bulgaria had not proposed any text regarding Latin American issues. Karadjova said that, given Bulgaria's geographical location on the Black Sea and its proximity to Russia, Bulgaria was most interested in the language related to missile defense. She promised to review this language closely, consult with her superiors, and relay to the Embassy any specific comments.
